| Article Name               | Anti-Beta Tubulin Antibody Picoband(monoclonal, 5E4) Fluoro550<br>Conjugated, Clone: [Clone: 5E4], Mouse, Monoclonal                             |
| Biozol Catalog Number      | BOB-M01857-3-FLUORO550                                                                                                                           |
| Supplier Catalog Number    | M01857-3-Fluoro550                                                                                                                               |
| Alternative Catalog Number | BOB-M01857-3-FLUORO550-100UG                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                                       |
| Host                       | Mouse                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                       |
| Application                | FC                                                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus<br>of human Beta Tubulin, identical to the related mouse and rat<br>sequences. |
| Clonality                  | Monoclonal                                                                                                                                       |
| Clone Designation          | [Clone: 5E4]                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 25035 MW                                                                                                            |
| NCBI                       | <a href="#">203068</a>                                                                                                                           |
| UniProt                    | <a href="#">P07437</a>                                                                                                                           |

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Buffer             | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na2HPO4, 0.02% NaN3. |
| Purity             | Immunogen affinity purified.                                          |
| Form               | Liquid                                                                |
| Target             | Tubulin beta chain                                                    |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                         |
