## Product Datasheet

### **Anti-Desmoglein 2/DSG2 Antibody Picoband (monoclonal, 2B4D1) HRP Conjugated, IgG1, Clone: [Clone: 2B4D1], Mouse, Monoclonal BOB-M02035-2-HRP**

|                            |                                                                                                                             |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Desmoglein 2/DSG2 Antibody Picoband (monoclonal, 2B4D1) HRP Conjugated, IgG1, Clone: [Clone: 2B4D1], Mouse, Monoclonal |
| Biozol Catalog Number      | BOB-M02035-2-HRP                                                                                                            |
| Supplier Catalog Number    | M02035-2-HRP                                                                                                                |
| Alternative Catalog Number | BOB-M02035-2-HRP-100UG                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                  |
| Host                       | Mouse                                                                                                                       |
| Category                   | Antikörper                                                                                                                  |
| Application                | ELISA, IHC, WB                                                                                                              |
| Species Reactivity         | Human                                                                                                                       |
| Immunogen                  | E.coli-derived human Desmoglein 2/DSG2 recombinant protein (Position: L24-E1020).                                           |
| Clonality                  | Monoclonal                                                                                                                  |
| Clone Designation          | [Clone: 2B4D1]                                                                                                              |
| Isotype                    | IgG1                                                                                                                        |
| NCBI                       | <a href="#">1829</a>                                                                                                        |
| UniProt                    | <a href="#">Q14126</a>                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                         |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                                                               |
| Form               | Liquid                                                                                                     |
| Target             | Desmoglein-2                                                                                               |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
