| Article Name               | Anti-Cytochrome p450 2C19/CYP2C19 Antibody Picoband (monoclonal, 10G5) FITC Conjugated, Clone: [Clone: 10G5], Mouse, Monoclonal |
| Biozol Catalog Number      | BOB-M02102-FITC                                                                                                                 |
| Supplier Catalog Number    | M02102-FITC                                                                                                                     |
| Alternative Catalog Number | BOB-M02102-FITC-100UG                                                                                                           |
| Manufacturer               | Boster Bio                                                                                                                      |
| Host                       | Mouse                                                                                                                           |
| Category                   | Antikörper                                                                                                                      |
| Application                | FC                                                                                                                              |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of human Cytochrome p450 2C19/CYP2C19.                     |
| Clonality                  | Monoclonal                                                                                                                      |
| Clone Designation          | [Clone: 10G5]                                                                                                                   |
| NCBI                       | <a href="#">1557</a>                                                                                                            |
| UniProt                    | <a href="#">P33261</a>                                                                                                          |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                     |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Cytochrome P450 2C19                          |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
