| Article Name               | Anti-KAT9/ELP3 Antibody Picoband (monoclonal, 8B4) Fluoro594<br>Conjugated, Clone: [Clone: 8B4], Mouse, Monoclonal                |
| Biozol Catalog Number      | BOB-M02833-1-FLUORO594                                                                                                            |
| Supplier Catalog Number    | M02833-1-Fluoro594                                                                                                                |
| Alternative Catalog Number | BOB-M02833-1-FLUORO594-100UG                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                        |
| Host                       | Mouse                                                                                                                             |
| Category                   | Antikörper                                                                                                                        |
| Application                | FC                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                 |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus<br>of human KAT9/ELP3, identical to the related mouse sequence. |
| Clonality                  | Monoclonal                                                                                                                        |
| Clone Designation          | [Clone: 8B4]                                                                                                                      |
| NCBI                       | <a href="#">55140</a>                                                                                                             |
| UniProt                    | <a href="#">Q9H9T3</a>                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02%<br>NaN <sub>3</sub> .                   |
| Purity                     | Immunogen affinity purified.                                                                                                      |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Elongator complex protein 3                   |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
