| Alternative Catalog Number | BOB-M03229-1-CY3-100UG                                                                                                 |
| Manufacturer               | Boster Bio                                                                                                             |
| Host                       | Mouse                                                                                                                  |
| Category                   | Antikörper                                                                                                             |
| Application                | FC                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                      |
| Immunogen                  | E. coli-derived human Cyclophilin B recombinant protein (Position: K158-E216).                                         |
| Clonality                  | Monoclonal                                                                                                             |
| Clone Designation          | [Clone: 11C11]                                                                                                         |
| NCBI                       | <a href="#">5479</a>                                                                                                   |
| UniProt                    | <a href="#">P23284</a>                                                                                                 |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .            |
| Purity                     | Immunogen affinity purified.                                                                                           |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Peptidyl-prolyl cis-trans isomerase B         |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
