| Article Name               | Anti-U2AF65/U2AF2 Picoband Antibody (monoclonal, 3G9) FITC<br>Conjugated, Clone: [Clone: 3G9], Mouse, Monoclonal |
| Biozol Catalog Number      | BOB-M03639-1-FITC                                                                                                |
| Supplier Catalog Number    | M03639-1-FITC                                                                                                    |
| Alternative Catalog Number | BOB-M03639-1-FITC-100UG                                                                                          |
| Manufacturer               | Boster Bio                                                                                                       |
| Host                       | Mouse                                                                                                            |
| Category                   | Antikörper                                                                                                       |
| Application                | FC                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                |
| Immunogen                  | E.coli-derived human U2AF65/U2AF2 recombinant protein (Position: M238-H470).                                     |
| Clonality                  | Monoclonal                                                                                                       |
| Clone Designation          | [Clone: 3G9]                                                                                                     |
| NCBI                       | <a href="#">11338</a>                                                                                            |
| UniProt                    | <a href="#">P26368</a>                                                                                           |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .      |
| Purity                     | Immunogen affinity purified.                                                                                     |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Splicing factor U2AF 65 kDa subunit           |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
