| Alternative Catalog Number | BOB-M03642-2-FITC-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Mouse                                                                                                       |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                           |
| Immunogen                  | E.coli-derived human MCM5 recombinant protein (Position: K206-H723).                                        |
| Clonality                  | Monoclonal                                                                                                  |
| Clone Designation          | [Clone: 4G10]                                                                                               |
| NCBI                       | <a href="#">4174</a>                                                                                        |
| UniProt                    | <a href="#">P33992</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | DNA replication licensing factor MCM5         |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
