| Article Name               | Anti-CD20 Antibody Picoband (monoclonal, 4D11) Fluoro594 Conjugated, Clone: [Clone: 4D11], Mouse, Monoclonal                                |
| Biozol Catalog Number      | BOB-M03780-5-FLUORO594                                                                                                                      |
| Supplier Catalog Number    | M03780-5-Fluoro594                                                                                                                          |
| Alternative Catalog Number | BOB-M03780-5-FLUORO594-100UG                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                  |
| Host                       | Mouse                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                  |
| Application                | FC                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                       |
| Immunogen                  | E.coli-derived human CD20 recombinant protein (Position: M1-D261). Human CD20 shares 75% amino acid (aa) sequence identity with mouse CD20. |
| Clonality                  | Monoclonal                                                                                                                                  |
| Clone Designation          | [Clone: 4D11]                                                                                                                               |
| NCBI                       | <a href="#">931</a>                                                                                                                         |
| UniProt                    | <a href="#">P11836</a>                                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                 |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | B-lymphocyte antigen CD20                     |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
