| Manufacturer               | Boster Bio                                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                                             |
| Application                | FC, ICC, IF, IP, WB                                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                      |
| Immunogen                  | A synthesized peptide derived from human MDH1                                                                                                                          |
| Product Description        | Boster Bio Anti-MDH1 Rabbit Monoclonal Antibody catalog M04262. Tested in WB, ICC/IF, IP, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                                             |
| Concentration              | 0.5mg/ml                                                                                                                                                               |
| Clone Designation          | [Clone: 23M24]                                                                                                                                                         |
| Molecular Weight           | Observed Molecular Weight: 36 kDa. Calculated Molecular Weight: 366649 MW                                                                                              |
| NCBI                       | <a href="#">4190</a>                                                                                                                                                   |

|                    |                                                                                                                     |
|--------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">P40925</a>                                                                                              |
| Buffer             | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Purity             | Affinity-chromatography                                                                                             |
| Form               | Liquid                                                                                                              |
| Target             | Malate dehydrogenase, cytoplasmic                                                                                   |
| Application Dilute | WB 1:1000-5000ICC/IF 1:50-200IP 1:50FC 1:30                                                                         |
