| Alternative Catalog Number | BOB-M04526-APC-100UG                                                                                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                                                                                |
| Host                       | Mouse                                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                                |
| Application                | FC                                                                                                                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                         |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human RAB11B, which shares 97.4% and 100% amino acid (aa) sequence identity with mouse and rat RAB11B, respectively. |
| Clonality                  | Monoclonal                                                                                                                                                                                |
| Clone Designation          | [Clone: 6C5]                                                                                                                                                                              |
| NCBI                       | <a href="#">9230</a>                                                                                                                                                                      |
| UniProt                    | <a href="#">Q15907</a>                                                                                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                               |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Ras-related protein Rab-11B                   |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
