| Alternative Catalog Number | BOB-M06725-1-100UL                                                                                                                           |
| Manufacturer               | Boster Bio                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                   |
| Application                | WB                                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                            |
| Immunogen                  | A synthesized peptide derived from human PPM1G                                                                                               |
| Product Description        | Boster Bio Anti-PPM1G Rabbit Monoclonal Antibody catalog M06725-1. Tested in WB application. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                   |
| Concentration              | 0.5mg/ml                                                                                                                                     |
| Clone Designation          | [Clone: 29P73]                                                                                                                               |
| Molecular Weight           | Observed Molecular Weight: 75 kDa. Calculated Molecular Weight: 54448 MW                                                                     |
| NCBI                       | <a href="#">63977</a>                                                                                                                        |

|                    |                                                                                                                     |
|--------------------|---------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">O15355</a>                                                                                              |
| Buffer             | Rabbit IgG in phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol, 0.4-0.5mg/ml BSA. |
| Purity             | Affinity-chromatography                                                                                             |
| Form               | Liquid                                                                                                              |
| Target             | Protein phosphatase 1G                                                                                              |
| Application Dilute | WB 1:500-2000                                                                                                       |
