| Alternative Catalog Number | BOB-M07286-3-100UL                                                                                                                                                                  |
| Manufacturer               | Boster Bio                                                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                                                          |
| Application                | ICC, IF, IHC, WB                                                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                   |
| Immunogen                  | A synthesized peptide derived from human Histone H2B (mono methyl K116)                                                                                                             |
| Product Description        | Boster Bio Anti-Histone H2B (mono methyl K116) Rabbit Monoclonal Antibody catalog M07286-3. Tested in WB, IHC, ICC/IF applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                                                          |
| Concentration              | 0.5mg/ml                                                                                                                                                                            |
| Clone Designation          | [Clone: 27H07]                                                                                                                                                                      |
| Molecular Weight           | Observed Molecular Weight: 14 kDa. Calculated Molecular Weight: 13920 MW                                                                                                            |

|                    |                                                                                                                     |
