| Category                   | Antikörper                                                                                                                                                               |
| Application                | FC, ICC, IF, IP, WB                                                                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                        |
| Immunogen                  | A synthesized peptide derived from Themis                                                                                                                                |
| Product Description        | Boster Bio Anti-Themis Rabbit Monoclonal Antibody catalog M07854. Tested in WB, ICC/IF, IP, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                                               |
| Concentration              | 0.5mg/ml                                                                                                                                                                 |
| Clone Designation          | [Clone: 26T58]                                                                                                                                                           |
| Molecular Weight           | Observed Molecular Weight: 73 kDa. Calculated Molecular Weight: 25279 MW                                                                                                 |
| NCBI                       | <a href="#">387357</a>                                                                                                                                                   |

|                    |                                                                                                                     |
