| Manufacturer               | Boster Bio                                                                                                                |
| Host                       | Mouse                                                                                                                     |
| Category                   | Antikörper                                                                                                                |
| Application                | FC                                                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                                                         |
| Immunogen                  | E.coli-derived human IRBIT/AHCYL1 recombinant protein (Position:<br>E14-K57).                                             |
| Clonality                  | Monoclonal                                                                                                                |
| Clone Designation          | [Clone: 2E7D9]                                                                                                            |
| Isotype                    | IgG1                                                                                                                      |
| NCBI                       | <a href="#">10768</a>                                                                                                     |
| UniProt                    | <a href="#">O43865</a>                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02%<br>NaN <sub>3</sub> .           |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Purity             | Immunogen affinity purified.                    |
| Form               | Liquid                                          |
| Target             | S-adenosylhomocysteine hydrolase-like protein 1 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells   |
