| Article Name               | Anti-HOMER3 Antibody Picoband (monoclonal, 9G13) APC Conjugated, Clone: [Clone: 9G13], Mouse, Monoclonal                                                                               |
| Biozol Catalog Number      | BOB-M09145-APC                                                                                                                                                                         |
| Supplier Catalog Number    | M09145-APC                                                                                                                                                                             |
| Alternative Catalog Number | BOB-M09145-APC-100UG                                                                                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                                                                             |
| Host                       | Mouse                                                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                                                             |
| Application                | FC                                                                                                                                                                                     |
| Species Reactivity         | Human                                                                                                                                                                                  |
| Immunogen                  | E. coli-derived human HOMER3 recombinant protein (Position: R282-A360). Human HOMER3 shares 88.6% and 89.9% amino acid (aa) sequence identity with mouse and rat HOMER3, respectively. |
| Clonality                  | Monoclonal                                                                                                                                                                             |
| Clone Designation          | [Clone: 9G13]                                                                                                                                                                          |
| NCBI                       | <a href="#">9454</a>                                                                                                                                                                   |
| UniProt                    | <a href="#">Q9NSC5</a>                                                                                                                                                                 |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                            |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Homer protein homolog 3                       |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
