| Manufacturer               | Boster Bio                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                                               |
| Application                | IHC, IP, WB                                                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                        |
| Immunogen                  | A synthesized peptide derived from human Phospho-Tau (T231)                                                                                                              |
| Product Description        | Boster Bio Anti-Phospho-Tau (T231) MAPT Rabbit Monoclonal Antibody catalog P00097-1. Tested in WB, IHC, IP applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                                               |
| Concentration              | 0.5mg/ml                                                                                                                                                                 |
| Clone Designation          | [Clone: EIH-13]                                                                                                                                                          |
| Molecular Weight           | Observed Molecular Weight: 50-70 kDa. Calculated Molecular Weight: 78928 MW                                                                                              |

|                    |                                                                                                                     |
