### **Anti-Angiopoietin 2/ANGPT2 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-PA1005-FLUORO594**

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Angiopoietin 2/ANGPT2 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                       |
| Biozol Catalog Number      | BOB-PA1005-FLUORO594                                                                                        |
| Supplier Catalog Number    | PA1005-Fluoro594                                                                                            |
| Alternative Catalog Number | BOB-PA1005-FLUORO594-100UG                                                                                  |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Angiopoietin 2.                  |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 56919 MW                                                                       |
| NCBI                       | <a href="#">285</a>                                                                                         |
| UniProt                    | <a href="#">O15123</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Angiopoietin-2                                |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
