| Article Name               | Anti-C-C chemokine receptor type 5 CCR5 Antibody Picoband APC<br>Conjugated, Rabbit, Polyclonal                                              |
| Biozol Catalog Number      | BOB-PA1016-APC                                                                                                                               |
| Supplier Catalog Number    | PA1016-APC                                                                                                                                   |
| Alternative Catalog Number | BOB-PA1016-APC-100UG                                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                   |
| Application                | FC                                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                            |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human CCR5, different from the related rat sequence by two amino acids. |
| Clonality                  | Polyclonal                                                                                                                                   |
| Molecular Weight           | Calculated Molecular Weight: 40524 MW                                                                                                        |
| NCBI                       | <a href="#">1234</a>                                                                                                                         |
| UniProt                    | <a href="#">P51681</a>                                                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                  |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | C-C chemokine receptor type 5                 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
