| Article Name               | Anti-TGF beta Receptor II/TGFBR2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                  |
| Biozol Catalog Number      | BOB-PA1866-PE                                                                                                                                         |
| Supplier Catalog Number    | PA1866-PE                                                                                                                                             |
| Alternative Catalog Number | BOB-PA1866-PE-100UG                                                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                            |
| Application                | FC                                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                     |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of human TGF beta Receptor II, identical to the related rat and mouse sequences. |
| Clonality                  | Polyclonal                                                                                                                                            |
| Molecular Weight           | Calculated Molecular Weight: 64568 MW                                                                                                                 |
| NCBI                       | <a href="#">7048</a>                                                                                                                                  |
| UniProt                    | <a href="#">P37173</a>                                                                                                                                |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                           |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | TGF-beta receptor type-2                      |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
