## Product Datasheet

### **Anti-MEKK3/MAP3K3 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal** **BOB-PA1924-FLUORO488**

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-MEKK3/MAP3K3 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                |
| Biozol Catalog Number      | BOB-PA1924-FLUORO488                                                                                        |
| Supplier Catalog Number    | PA1924-Fluoro488                                                                                            |
| Alternative Catalog Number | BOB-PA1924-FLUORO488-100UG                                                                                  |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human MEKK3.                           |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 70898 MW                                                                       |
| NCBI                       | <a href="#">4215</a>                                                                                        |
| UniProt                    | <a href="#">Q99759</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                  |
|--------------------|--------------------------------------------------|
| Form               | Liquid                                           |
| Target             | Mitogen-activated protein kinase kinase kinase 3 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells    |
