| Article Name               | Anti-HSC70 Interacting Protein HIP/ST13 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                      |
| Biozol Catalog Number      | BOB-PA1935-FLUORO550                                                                                                                                    |
| Supplier Catalog Number    | PA1935-Fluoro550                                                                                                                                        |
| Alternative Catalog Number | BOB-PA1935-FLUORO550-100UG                                                                                                                              |
| Manufacturer               | Boster Bio                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                              |
| Application                | FC                                                                                                                                                      |
| Species Reactivity         | Human                                                                                                                                                   |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human ST13, different from the related rat and mouse sequences by two amino acids. |
| Clonality                  | Polyclonal                                                                                                                                              |
| Molecular Weight           | Calculated Molecular Weight: 41332 MW                                                                                                                   |
| NCBI                       | <a href="#">6767</a>                                                                                                                                    |
| UniProt                    | <a href="#">P50502</a>                                                                                                                                  |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                             |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Hsc70-interacting protein                     |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
