| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | WB                                                                                                                                                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human ASIC3, different from the related rat and mouse sequences by two amino acids.                                                                                                     |
| Product Description        | Boster Bio Anti-Acid-sensing ion channel 3 ASIC3 Antibody catalog PA1938. Tested in WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |

|                    |                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------|
| Molecular Weight   | Observed Molecular Weight: 59 kDa. Calculated Molecular Weight: 59 kDa                       |
| NCBI               | <a href="#">9311</a>                                                                         |
| UniProt            | <a href="#">Q9UHC3</a>                                                                       |
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> . |
| Purity             | Immunogen affinity purified.                                                                 |
| Form               | Lyophilized                                                                                  |
| Target             | Acid-sensing ion channel 3                                                                   |
| Application Dilute | Western blot, 0.1-0.5µg/ml, Human, Mouse, Rat                                                |
