### Anti-Zinc finger protein GLI2 Gli2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-PA1941-APC

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zinc finger protein GLI2 Gli2 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                     |
| Biozol Catalog Number      | BOB-PA1941-APC                                                                                              |
| Supplier Catalog Number    | PA1941-APC                                                                                                  |
| Alternative Catalog Number | BOB-PA1941-APC-100UG                                                                                        |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Gli2.                            |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 167783 MW                                                                      |
| NCBI                       | <a href="#">2736</a>                                                                                        |
| UniProt                    | <a href="#">P10070</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Zinc finger protein GLI2                      |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
