### Anti-MEK2/MAP2K2 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PA2274-FLUORO488

|                            |                                                                                                                                    |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-MEK2/MAP2K2 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                        |
| Biozol Catalog Number      | BOB-PA2274-FLUORO488                                                                                                               |
| Supplier Catalog Number    | PA2274-Fluoro488                                                                                                                   |
| Alternative Catalog Number | BOB-PA2274-FLUORO488-100UG                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                         |
| Host                       | Rabbit                                                                                                                             |
| Category                   | Antikörper                                                                                                                         |
| Application                | FC                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                  |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human MEK2, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 44424 MW                                                                                              |
| NCBI                       | <a href="#">5605</a>                                                                                                               |
| UniProt                    | <a href="#">P36507</a>                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                        |
| Purity                     | Immunogen affinity purified.                                                                                                       |

|                    |                                                            |
|--------------------|------------------------------------------------------------|
| Form               | Liquid                                                     |
| Target             | Dual specificity mitogen-activated protein kinase kinase 2 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells              |
