| Article Name               | Anti-DDAH2 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                      |
| Biozol Catalog Number      | BOB-PB10001-FLUORO594                                                                                                                                      |
| Supplier Catalog Number    | PB10001-Fluoro594                                                                                                                                          |
| Alternative Catalog Number | BOB-PB10001-FLUORO594-100UG                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | FC                                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                          |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human DDAH2, different from the related mouse and rat sequences by three amino acids. |
| Clonality                  | Polyclonal                                                                                                                                                 |
| Molecular Weight           | Calculated Molecular Weight: 29644 MW                                                                                                                      |
| NCBI                       | <a href="#">23564</a>                                                                                                                                      |
| UniProt                    | <a href="#">O95865</a>                                                                                                                                     |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                               |
| Purity                     | Immunogen affinity purified.                                                                                                                               |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Putative hydrolase DDAH2                      |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
