| Article Name               | Anti-Carbonic Anhydrase III/CA3 Antibody Picoband Fluoro594<br>Conjugated, Rabbit, Polyclonal                                                                                      |
| Biozol Catalog Number      | BOB-PB10049-FLUORO594                                                                                                                                                              |
| Supplier Catalog Number    | PB10049-Fluoro594                                                                                                                                                                  |
| Alternative Catalog Number | BOB-PB10049-FLUORO594-100UG                                                                                                                                                        |
| Manufacturer               | Boster Bio                                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                                         |
| Application                | FC                                                                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                  |
| Immunogen                  | E. coli-derived human CA3 recombinant protein (Position: D14-E235).<br>Human CA3 shares 92.3% and 91.4% amino acid (aa) sequence<br>identity with mouse and rat CA3, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 29557 MW                                                                                                                                              |
| NCBI                       | <a href="#">761</a>                                                                                                                                                                |
| UniProt                    | <a href="#">P07451</a>                                                                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02%<br>NaN <sub>3</sub> .                                                                    |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Carbonic anhydrase 3                          |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
