| Manufacturer               | Boster Bio                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                      |
| Application                | FC                                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                               |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human PIAS4, different from the related mouse sequence by two amino acids. |
| Clonality                  | Polyclonal                                                                                                                                      |
| Molecular Weight           | Calculated Molecular Weight: 56504 MW                                                                                                           |
| NCBI                       | <a href="#">51588</a>                                                                                                                           |
| UniProt                    | <a href="#">Q8N2W9</a>                                                                                                                          |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                     |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | E3 SUMO-protein ligase PIAS4                  |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
