| Article Name               | Anti-PML Protein Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                           |
| Biozol Catalog Number      | BOB-PB10085-FLUORO594                                                                                                                                 |
| Supplier Catalog Number    | PB10085-Fluoro594                                                                                                                                     |
| Alternative Catalog Number | BOB-PB10085-FLUORO594-100UG                                                                                                                           |
| Manufacturer               | Boster Bio                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                            |
| Application                | FC                                                                                                                                                    |
| Species Reactivity         | Mouse                                                                                                                                                 |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of mouse PML Protein, different from the related human sequence by six amino acids. |
| Clonality                  | Polyclonal                                                                                                                                            |
| Molecular Weight           | Calculated Molecular Weight: 98242 MW                                                                                                                 |
| NCBI                       | <a href="#">18854</a>                                                                                                                                 |
| UniProt                    | <a href="#">Q60953</a>                                                                                                                                |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                           |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Protein PML                                   |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
