| Article Name               | Anti-IL6 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                            |
| Biozol Catalog Number      | BOB-PB9005-APC                                                                                                                           |
| Supplier Catalog Number    | PB9005-APC                                                                                                                               |
| Alternative Catalog Number | BOB-PB9005-APC-100UG                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                               |
| Host                       | Rabbit                                                                                                                                   |
| Category                   | Antikörper                                                                                                                               |
| Application                | FC                                                                                                                                       |
| Species Reactivity         | Rat                                                                                                                                      |
| Immunogen                  | E.coli-derived rat IL-6 recombinant protein (Position: F25-T211). Rat IL-6 shares 86% amino acid (aa) sequence identity with mouse IL-6. |
| Clonality                  | Polyclonal                                                                                                                               |
| Molecular Weight           | Calculated Molecular Weight: 24357 MW                                                                                                    |
| NCBI                       | <a href="#">24498</a>                                                                                                                    |
| UniProt                    | <a href="#">P20607</a>                                                                                                                   |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                              |
| Purity                     | Immunogen affinity purified.                                                                                                             |
| Form                       | Liquid                                                                                                                                   |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Target             | Interleukin-6                                 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
