| Article Name               | Anti-CD20/MS4A1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                        |
| Biozol Catalog Number      | BOB-PB9050-CY3                                                                                                                              |
| Supplier Catalog Number    | PB9050-Cy3                                                                                                                                  |
| Alternative Catalog Number | BOB-PB9050-CY3-100UG                                                                                                                        |
| Manufacturer               | Boster Bio                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                  |
| Application                | FC                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                       |
| Immunogen                  | E.coli-derived human CD20 recombinant protein (Position: M1-D261). Human CD20 shares 75% amino acid (aa) sequence identity with mouse CD20. |
| Clonality                  | Polyclonal                                                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 33077 MW                                                                                                       |
| NCBI                       | <a href="#">931</a>                                                                                                                         |
| UniProt                    | <a href="#">P11836</a>                                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                 |
| Purity                     | Immunogen affinity purified.                                                                                                                |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | B-lymphocyte antigen CD20                     |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
