| Article Name               | Anti-CD23/FCER2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                   |
| Biozol Catalog Number      | BOB-PB9051-FLUORO647                                                                                                                         |
| Supplier Catalog Number    | PB9051-Fluoro647                                                                                                                             |
| Alternative Catalog Number | BOB-PB9051-FLUORO647-100UG                                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                   |
| Application                | FC                                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                            |
| Immunogen                  | E.coli-derived mouse CD23 recombinant protein (Position: E50-P331). Mouse CD23 shares 52% amino acid (aa) sequence identity with human CD23. |
| Clonality                  | Polyclonal                                                                                                                                   |
| Molecular Weight           | Calculated Molecular Weight: 37648 MW                                                                                                        |
| NCBI                       | <a href="#">14128</a>                                                                                                                        |
| UniProt                    | <a href="#">P20693</a>                                                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                  |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Purity             | Immunogen affinity purified.                    |
| Form               | Liquid                                          |
| Target             | Low affinity immunoglobulin epsilon Fc receptor |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells   |
