| Article Name               | Anti-MUM1/IRF4 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                     |
| Biozol Catalog Number      | BOB-PB9222-FLUORO594                                                                                                                          |
| Supplier Catalog Number    | PB9222-Fluoro594                                                                                                                              |
| Alternative Catalog Number | BOB-PB9222-FLUORO594-100UG                                                                                                                    |
| Manufacturer               | Boster Bio                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                    |
| Application                | FC                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                         |
| Immunogen                  | E.coli-derived human MUM1 recombinant protein (Position: E272-E451). Human MUM1 shares 92% amino acid (aa) sequence identity with mouse MUM1. |
| Clonality                  | Polyclonal                                                                                                                                    |
| Molecular Weight           | Calculated Molecular Weight: 51772 MW                                                                                                         |
| NCBI                       | <a href="#">3662</a>                                                                                                                          |
| UniProt                    | <a href="#">Q15306</a>                                                                                                                        |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                   |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Interferon regulatory factor 4                |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
