| Article Name               | Anti-PKC epsilon/PRKCE Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                                     |
| Biozol Catalog Number      | BOB-PB9320-PE                                                                                                                                                                  |
| Supplier Catalog Number    | PB9320-PE                                                                                                                                                                      |
| Alternative Catalog Number | BOB-PB9320-PE-100UG                                                                                                                                                            |
| Manufacturer               | Boster Bio                                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                     |
| Application                | FC                                                                                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                              |
| Immunogen                  | E.coli-derived human PKC epsilon recombinant protein (Position: Q53-R236). Human PKC epsilon shares 99% amino acid (aa) sequence identity with both mouse and rat PKC epsilon. |
| Clonality                  | Polyclonal                                                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 83674 MW                                                                                                                                          |
| NCBI                       | <a href="#">5581</a>                                                                                                                                                           |
| UniProt                    | <a href="#">Q02156</a>                                                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                    |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Protein kinase C epsilon type                 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
