| Article Name               | Anti-Caspase-9/CASP9 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                            |
| Biozol Catalog Number      | BOB-PB9332-FLUORO488                                                                                                                                       |
| Supplier Catalog Number    | PB9332-Fluoro488                                                                                                                                           |
| Alternative Catalog Number | BOB-PB9332-FLUORO488-100UG                                                                                                                                 |
| Manufacturer               | Boster Bio                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | FC                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                      |
| Immunogen                  | E.coli-derived human Caspase-9 recombinant protein (Position: E3-D228). Human Caspase-9 shares 63% amino acid (aa) sequence identity with mouse Caspase-9. |
| Clonality                  | Polyclonal                                                                                                                                                 |
| Molecular Weight           | Calculated Molecular Weight: 46281 MW                                                                                                                      |
| NCBI                       | <a href="#">842</a>                                                                                                                                        |
| UniProt                    | <a href="#">P55211</a>                                                                                                                                     |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                               |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Caspase-9                                     |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
