| Manufacturer               | Boster Bio                                                                                                                                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | IHC, WB                                                                                                                                                                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human CD36, different from the related mouse sequence by six amino acids, and from the related rat sequence by four amino acids.                                                        |
| Product Description        | Boster Bio Anti-CD36 Antibody Picoband catalog PB9371. Tested in IHC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and strong s... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 88 kDa. Calculated Molecular Weight: 53053 MW                                                                                                                                                                                     |

|                    |                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| NCBI               | <a href="#">948</a>                                                                                                   |
| UniProt            | <a href="#">P16671</a>                                                                                                |
| Buffer             | Each vial contains 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .            |
| Purity             | Immunogen affinity purified.                                                                                          |
| Form               | Lyophilized                                                                                                           |
| Target             | Platelet glycoprotein 4                                                                                               |
| Application Dilute | Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, RatWestern blot, 0.1-0.5µg/ml, Human, Mouse, Rat |
