| Article Name               | Anti-APH1a Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                          |
| Biozol Catalog Number      | BOB-PB9421-FLUORO647                                                                                                                           |
| Supplier Catalog Number    | PB9421-Fluoro647                                                                                                                               |
| Alternative Catalog Number | BOB-PB9421-FLUORO647-100UG                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                     |
| Application                | FC                                                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                              |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human APH1a, different from the related mouse sequence by one amino acid. |
| Clonality                  | Polyclonal                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 28996 MW                                                                                                          |
| NCBI                       | <a href="#">51107</a>                                                                                                                          |
| UniProt                    | <a href="#">Q96BI3</a>                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                    |
| Purity                     | Immunogen affinity purified.                                                                                                                   |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Gamma-secretase subunit APH-1A                |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
