| Alternative Catalog Number | BOB-PB9522-PE-100UG                                                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                                         |
| Application                | FC                                                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                                              |
| Immunogen                  | E. coli-derived human TFF1 recombinant protein (Position: E25-F84).<br>Human TFF1 shares 66.7% and 69% amino acid (aa) sequence<br>identity with mouse and rat TFF1, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 9150 MW                                                                                                                                               |
| NCBI                       | <a href="#">7031</a>                                                                                                                                                               |
| UniProt                    | <a href="#">P04155</a>                                                                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02%<br>NaN <sub>3</sub> .                                                                    |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Trefoil factor 1                              |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
