| Article Name               | Anti-integrin beta 4 binding protein/EIF6 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                           |
| Biozol Catalog Number      | BOB-PB9582-BIOTIN                                                                                                                                           |
| Supplier Catalog Number    | PB9582-Biotin                                                                                                                                               |
| Alternative Catalog Number | BOB-PB9582-BIOTIN-100UG                                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                  |
| Application                | ELISA, IHC, WB                                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                           |
| Immunogen                  | E.coli-derived human EIF6 recombinant protein (Position: N66-T210). Human EIF6 shares 99.3% amino acid (aa) sequence identity with both mouse and rat EIF6. |
| Clonality                  | Polyclonal                                                                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 26599 MW                                                                                                                       |
| NCBI                       | <a href="#">3692</a>                                                                                                                                        |
| UniProt                    | <a href="#">P56537</a>                                                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                 |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                                                               |
| Form               | Liquid                                                                                                     |
| Target             | Eukaryotic translation initiation factor 6                                                                 |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
