## Product Datasheet

### **Anti-Argonaute 4/AGO4 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal** **BOB-PB9979-FLUORO647**

|                            |                                                                                                                                  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Argonaute 4/AGO4 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                 |
| Biozol Catalog Number      | BOB-PB9979-FLUORO647                                                                                                             |
| Supplier Catalog Number    | PB9979-Fluoro647                                                                                                                 |
| Alternative Catalog Number | BOB-PB9979-FLUORO647-100UG                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                       |
| Host                       | Rabbit                                                                                                                           |
| Category                   | Antikörper                                                                                                                       |
| Application                | FC                                                                                                                               |
| Species Reactivity         | Human, Rat                                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human Argonaute 4, identical to the related mouse sequence. |
| Clonality                  | Polyclonal                                                                                                                       |
| Molecular Weight           | Calculated Molecular Weight: 97097 MW                                                                                            |
| NCBI                       | <a href="#">192670</a>                                                                                                           |
| UniProt                    | <a href="#">Q9HCK5</a>                                                                                                           |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                      |
| Purity                     | Immunogen affinity purified.                                                                                                     |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Protein argonaute-4                           |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
