## Product Datasheet

### **MSH5 (NM\_002441) Human Recombinant Protein** **BOB-PROTO43196**

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | MSH5 (NM_002441) Human Recombinant Protein                                            |
| Biozol Catalog Number      | BOB-PROTO43196                                                                        |
| Supplier Catalog Number    | PROTO43196                                                                            |
| Alternative Catalog Number | BOB-PROTO43196-20UG                                                                   |
| Manufacturer               | Boster Bio                                                                            |
| Category                   | Proteine/Peptide                                                                      |
| Product Description        | Recombinant protein of human mutS homolog 5 (E. coli) (MSH5), transcript variant 3... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                      |
| Molecular Weight           | 92.7 kDa                                                                              |
| Tag                        | C-Myc/DDK                                                                             |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                  |
| Source                     | HEK293T                                                                               |
| Form                       | Frozen Solution in PBS Buffer                                                         |
