| Product Description        | Recombinant protein of human embryonal Fyn-associated substrate (EFS), transcript variant 2... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                               |
| Molecular Weight           | 48.8 kDa                                                                                       |
| Tag                        | C-Myc/DDK                                                                                      |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                           |
| Source                     | HEK293T                                                                                        |
