| Manufacturer               | Boster Bio                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                              |
| Application                | SDS-PAGE                                                                                                                      |
| Product Description        | Human EIF3J Recombinant Protein expressed in E. coli with His-tag.<br>Sequence domain: 70-258aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.5mg/ml (determined by Bradford assay)                                                                                       |
| Molecular Weight           | 24 kDa (210aa) confirmed by MALDI-TOF (Molecular weight on SDS-PAGE will appear higher)                                       |
| Tag                        | His-Tag                                                                                                                       |
| UniProt                    | <a href="#">O75822</a>                                                                                                        |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 2mM DTT, 10% glycerol, 200mM NaCl                                                    |
| Source                     | E. coli                                                                                                                       |
| Form                       | Liquid                                                                                                                        |
