| Alternative Catalog Number | BOB-PROTO75936-20UG                                                                                                           |
| Manufacturer               | Boster Bio                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                              |
| Product Description        | Recombinant protein of human butyrobetaine (gamma), 2-oxoglutarate dioxygenase (gamma-butyrobetaine hydroxylase) 1 (BBOX1)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                                                              |
| Molecular Weight           | 44.5 kDa                                                                                                                      |
| Tag                        | C-Myc/DDK                                                                                                                     |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                                                          |
| Source                     | HEK293T                                                                                                                       |
| Form                       | Frozen Solution in PBS Buffer                                                                                                 |
