| Manufacturer               | Boster Bio                                                                                                                                                                                                      |
| Category                   | Proteine/Peptide                                                                                                                                                                                                |
| Application                | SDS-PAGE                                                                                                                                                                                                        |
| Product Description        | Human Cystatin B Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-98aa. Application(s): Enzyme Activity, SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 1mg/ml (determined by Bradford assay)                                                                                                                                                                           |
| Molecular Weight           | 13 kDa (118aa) confirmed by MALDI-TOF                                                                                                                                                                           |
| Tag                        | His-Tag                                                                                                                                                                                                         |
| UniProt                    | <a href="#">P04080</a>                                                                                                                                                                                          |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 50mM NaCl                                                                                                                                                              |
| Source                     | E. coli                                                                                                                                                                                                         |
