| Manufacturer               | Boster Bio                                                                                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                                                                                              |
| Application                | SDS-PAGE                                                                                                                                                                                      |
| Product Description        | Human UMPS Recombinant Protein expressed in Baculovirus with His-tag. Sequence domain: 1-480aa. Application(s): SDS-PAGE. Endotoxin: < 1 EU per 1ug of protein (determined by LAL method).... |
| Concentration              | 0.25mg/ml (determined by absorbance at 280nm)                                                                                                                                                 |
| Molecular Weight           | 53 kDa (486aa)                                                                                                                                                                                |
| Tag                        | His-Tag                                                                                                                                                                                       |
| UniProt                    | <a href="#">P11172</a>                                                                                                                                                                        |
| Buffer                     | Phosphate-Buffered Saline (pH 7.4) containing 30% glycerol                                                                                                                                    |
| Source                     | Baculovirus                                                                                                                                                                                   |
| Form                       | Liquid                                                                                                                                                                                        |
