| Manufacturer               | Boster Bio                                                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                                                  |
| Application                | SDS-PAGE                                                                                                                                          |
| Product Description        | Human Hexokinase 1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-917aa. Application(s): SDS-PAGE, Enzyme Activity.... |
| Concentration              | 1mg/ml (determined by Bradford assay)                                                                                                             |
| Molecular Weight           | 104.6 kDa (937aa)                                                                                                                                 |
| Tag                        | His-Tag                                                                                                                                           |
| UniProt                    | <a href="#">P19367</a>                                                                                                                            |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 10% glycerol                                                                                             |
| Source                     | E. coli                                                                                                                                           |
| Form                       | Liquid                                                                                                                                            |
