| Alternative Catalog Number | BOB-PROTP20674-20UG                                                                                                  |
| Manufacturer               | Boster Bio                                                                                                           |
| Category                   | Proteine/Peptide                                                                                                     |
| Product Description        | Recombinant protein of human cytochrome c oxidase subunit Va (COX5A), nuclear gene encoding mitochondrial protein... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                                                     |
| Molecular Weight           | 12.5 kDa                                                                                                             |
| Tag                        | C-Myc/DDK                                                                                                            |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                                                 |
| Source                     | HEK293T                                                                                                              |
| Form                       | Frozen Solution in PBS Buffer                                                                                        |
