| Article Name               | Glycerol 3 Phosphate Dehydrogenase (GPD1) (NM_005276) Human Recombinant Protein       |
| Biozol Catalog Number      | BOB-PROTP21695                                                                        |
| Supplier Catalog Number    | PROTP21695                                                                            |
| Alternative Catalog Number | BOB-PROTP21695-20UG                                                                   |
| Manufacturer               | Boster Bio                                                                            |
| Category                   | Proteine/Peptide                                                                      |
| Product Description        | Recombinant protein of human glycerol-3-phosphate dehydrogenase 1 (soluble) (GPD1)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                      |
| Molecular Weight           | 37.4 kDa                                                                              |
| Tag                        | C-Myc/DDK                                                                             |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                  |
| Source                     | HEK293T                                                                               |
| Form                       | Frozen Solution in PBS Buffer                                                         |
