| Category                   | Proteine/Peptide                                                                                                                                          |
| Application                | SDS-PAGE                                                                                                                                                  |
| Product Description        | Human Glutathione Peroxidase 3/GPX3 (u73C) Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 21-226aa. Application(s): SDS-PAGE.... |
| Concentration              | 0.25mg/ml (determined by Bradford assay)                                                                                                                  |
| Molecular Weight           | 25.7 kDa (227aa) confirmed by MALDI-TOF                                                                                                                   |
| Tag                        | His-Tag                                                                                                                                                   |
| UniProt                    | <a href="#">P22352</a>                                                                                                                                    |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 40% glycerol, 0.15M NaCl, 1mM DTT, 50mM Imidazole                                                                |
| Source                     | E. coli                                                                                                                                                   |
| Form                       | Liquid                                                                                                                                                    |
