| Manufacturer               | Boster Bio                                                                                                                                                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | SDS-PAGE                                                                                                                                                                                                                                                      |
| Product Description        | Human p21/CIP1/CDKN1A Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-164aa. Application(s): SDS-PAGE, Denatured. Denatured protein is most likely not the best option for functional studies. It is better suited for Western B... |
| Concentration              | 0.5mg/ml (determined by Bradford assay)                                                                                                                                                                                                                       |
| Molecular Weight           | 20.2 kDa (184aa)                                                                                                                                                                                                                                              |
| Tag                        | His-Tag                                                                                                                                                                                                                                                       |
| UniProt                    | <a href="#">P38936</a>                                                                                                                                                                                                                                        |
| Buffer                     | 20mM Tris-HCl buffer (pH 8.0) containing 2M urea, 10% glycerol, 0.1M NaCl                                                                                                                                                                                     |
